Re: Request for Comments on Application

Application No: Mod2013/0074

Description: Modification of Development Consent DA2012/0100 granted for Additions to existing Telecommunication Facility for eight (8) satellite dish antennas and ancillary road access

Address: Lot 1/ Oxford Falls Road OXFORD FALLS NSW 2100

I am writing with regard to the above-mentioned application which has been lodged with Council for assessment and determination.

This application is being forwarded for consideration pursuant to the provisions of the Environmental Planning and Assessment Act 1979 which stipulates:

“s79BA Consultation and development consent—certain bush fire prone land

- (1) *Development consent cannot be granted for the carrying out of development for any purpose (other than a subdivision of land that could lawfully be used for residential or rural residential purposes or development for a special fire protection purpose) on bush fire prone land unless the consent authority:*
- (b) *has consulted with the Commissioner of the NSW Rural Fire Service concerning measures to be taken with respect to the development to protect persons, property and the environment from danger that may arise from a bush fire.”*

Please find attached:

- A copy of documentation (plans and reports) submitted within the application.

Your response to this request would be greatly appreciated if it was provided within 21 days of the date of this letter.

Nick England is the Assessment Officer allocated to assess this application and can be contacted on (02) 9942 2111 during the available hours of 9.30am to 10.30am and 3.00pm to 4.00pm Monday to Friday or via email council@warringah.nsw.gov.au – all responses to Council should be marked to the attention of the Assessment Officer.
