RE: DA2019/1119 - 4 / 0 Bennett Street CURL CURL NSW 2096

Hello

I'm a North Curl Curl local who has lived on the Northern Beaches for over 50 years. I believe that a market such as what Harbord Bowling Club is purposing would be great for our community. To have local markets to buy fresh produce weekly and catching up with friends for a coffee in stead of heading out of the area would be beneficial for all involved. Plus having parks and activites for the kids close to the event is very convenient.

Cheers
