Subject: TRIMMED: Submission for Application DA2025/0132

Please note that I vehemently object to this development application.

The likelihood of traffic build up on an already disastrous Kenneth road will be a huge problem.

There is little thought also for the already over run narrow Roseberry street.

Council has approved many residential towers and housing around this DA site. I do not think that a 24/hour loudly lit fast food addition would be fair to those residents who want to maintain their quiet enjoyment of their homes.
