RE: DA2021/1612 - 1 Clarke Street NARRABEEN NSW 2101

Hello. I'm writing to express my concern about the collaroy sea wall and the discussion on extending it to the North. Narrabeen boasts some incredible surfing history due to the waves. People from around the world want to come surf at narrabeen. It has also been the breeding ground of wod class surfers. By extending the wall you risk loosing the tourism surfing brings. There is no predicting how the waves and sea floor will change. I urge you to not allow this to occur. Sincerely Belinda Koorey
