RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107

It seems every damned day we have to fight to keep our beautiful natural environment in this area.

Common sense dictates this ludicrous proposal will not only cause total destruction to an environment that is home to many protected species but cause utter chaos on the bends and noise pollution for the whole of the construction period.

Don't get me started on not being in keeping with the area plus potential for subsidence onto the one access road into the Peninsula.

Vehemently opposed
