RE: DA2024/0492 - 21 A Warili Road FRENCHS FOREST NSW 2086

Sir/Madam

I have two comments relevant to this application:

1. One tree (I think T140) that is located on a neighbouring property 9 Malbara Cres has died and been removed since this application. Retention of existing trees in the vicinity (mostly in Lot 7) is therefore of increased importance. I request that the planning committee update their documents to prevent any mistaken belief that T140 will be retained.
2. Some time has elapsed since submission and myself and other residents are keen to get an update, particularly with the tree retention plans.
