RE: DA2020/0552 - 181 Allambie Road ALLAMBIE HEIGHTS NSW 2100

I am writing as I'm extremely concerned as to the impact of the proposed development on the environment of War Memorial Park. The clearing of bushland and excavations will without doubt disrupt the fragile ecosystem of the creeks which are home to the Climbing Galaxias fish which are a threatened species. There are several more threatened species including the Pygmy Possum recorded on the development site.
