Subject: Application N0440/15 Submission.

Attention Maxwell Duncan Principal Planner

Dear Sir .

The above application would need to address the grid lock vehicle traffic each week day commencing at 5pm by opening Daydream rd and or Forest rd to flow through traffic . At present it already puts at risk peoples lives by the inaccessibility for emergency vehicles to access the western end of Jubilee Ave Warriewood at this time .

Regards . Anthony R Boulton .

Property owner 6 Jubilee Ave Warriewood
