**RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

I wish to support the project as it will benefit residents young and old, by providing access to Pickleball courts. The sport provides a sense of connectedness for residents, and is an inclusive sport with low cost. I have seen how City of Sydney residents have benefited from improvements in facilities for Pickleball - Cook+Phillip centre and King George V centre. I look forward to utilizing this facility as a resident and rate payer of Northern Beaches council area.
