RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085

Thank you for the opportunity to comment on this development application. I believe that if this development proceeds in its current form it would be a travesty; an awful legacy to what this site was before - a community park and library branch that served the community well for over 30 years. It is a gross over-development of the site and out of character with the surrounding streetscape. A more appropriate model to follow would be something like the 54 Glen Street Belrose complex
