**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

We have come to love the French's Forest market. We love what it represents - local traders selling their fresh organic produce to local people who like to interact directly with the growers. Our children have grown up going to this market every Sunday and they have come to know many of the stall owners.

It is a wonderful community market that resonates with so many people. To see it no longer functioning would be such a shame. The message it sends is extremely back ward.
