

Waste Management Plan

DEMOLITION, CONSTRUCTION & USE OF PREMISES

To facilitate waste management and reduction Council requires on site sorting and storage of waste products pending reuse or collection.

The applicable sections of this table must be completed and submitted with your Development Application, or applications to erect a building, demolish a building or place a waste storage container in a public place.

Completing this table will assist you in identifying the type of waste that will be generated and in advising Council how you intend to reuse, recycle or dispose of the waste.

The information provided on the form (and on your plans) will be **assessed against the Objectives of the Guidelines** (eg: to maximize reuse and minimise disposal) and the Performance Criteria for your particular use.
