RE: DA2018/1932 - 42 Surf Road NORTH CURL CURL NSW 2099

There are very strong privacy concerns as our main bedroom will be in full view of the proposed wrap-balcony, which on the surface appears rather excessive - it essentially compromises the privacy of a number of houses, not just ours.

Also, there is a proposal to plant Bird of Paradise palms - there has been a long-running issue with these plants in both ours and our neighbours house. We do not want these to return to the immediate area and threaten our own vegetation as has happened in the past.

Sincerely, the Marshall family.
