**RE: DA2020/1758 - 11 Lewis Street BALGOWLAH HEIGHTS NSW 2093**

I no longer live in the suburb but am a past owner of 13 Lewis St, which is next door to the proposed development. I object to the development. Lewis St is a busy road because of the primary school. The proposed development is adjacent to the school. In my years living there and with my children at the school, there was chaos at drop off and pick up time, and at many other times due to the before and after school care program. Letters were sent to parents very regularly asking for caution for the safety of children. Incidents often happened. The road was blocked with cars not being able to move past each other as cars parked on both sides of the street, filled with teachers who parked there, having no allocated school parking. I believe that adding the proposed facility will further overload the capacity of the street, cause traffic impasses, but most of all be a safety danger to children and pedestrians.
