Subject: Waste Water Connection – Sydney Water Approval Lots 2 – 17 in DP270922

Dear Sir/Madam,

Please see enclosed the following documentation to support compliance with the above deferred commencement condition:

1. **Sydney Water Case No. 146021WW Works as Constructed** – This plan shows Sydney Water's Sewer Manhole with 2x inlets constructed within Community Lot 1 DP 270922.
2. **Works as Executed (Services Plan) for Lots 1-17 in DP 270922** – This WAE plan shows internal sewer line connected to the 2 inlets under Sydney Water Case No. 146021WW.
3. **Sydney Water Wastewater Connection Application** – Conditional Approval.

We trust that the documentation provided satisfies the requirements for connection to the sewer.

If any additional documentation or information is required, please do not hesitate to contact the undersigned on 0420 655 056.

Sincerely,

Mary Kazzi
Development Manager
