**RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107**

Dear council,

Please preserve the beauty and the wildlife of beautiful Bilgola. On top of that maintain vehicular safety for the bends. An already congested strip, imagine the chaos during 2 years of construction? Does council propose to somehow build a footpath in an attempt to ensure some pedestrian safety?

My involvement with Palm Beach Surf club means I am on the bends a lot, I vehemently object.
