MR Ian Proctor
29 George Street, Avalon Beach ST
Avalon Beach NSW 2107

RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096

I would like to support this development as it is of a sympathetic beach design that blends to its surrounds and includes efforts to 'green design and efficiency' .

Most importantly it will offer additional housing to the area , without the addition of these well designed multi housing structures we will continue to suffer from lack of housing in this beautiful area.

Please consider the efforts of mum and dad developers in making the effort to supplying additional housing in this area and infact all areas of Australia .
