**RE: DA2018/1924 - Forest Way FRENCHS FOREST NSW 2086**

Hello there,

I just wanted to record my concerns with the additional traffic on Grace Avenue, Altona Ave, Deakin St, Bentley Avenue and Brown Street. I fully support this plan, however, request sufficient research be completed in to the traffic impact on these streets and potentially look at opening up right hand turn capability on to Forest Way.

Thanks  
Scott
