**RE: DA2023/0597 - 14 / 22 Central Avenue MANLY NSW 2095**

I am 100% supportive of this development in an area that is lacking and has become somewhat of a dead zone in the Manly CBD.

To see this space developed into retail that includes the health and wellness industry connects what Manly is about and will bring together 100's of people in a positive environment.

I manage a major tourist site in Manly and cannot encourage enough the importance of keeping new interest and activities coming into Manly so all types, visitors and locals alike.

Please consider moving this application along as soon as possible and help pull the small business of Manly out of the covid hangover quicker.

Thank you,
