RE: DA2019/1190 - 9999 Pittwater Road BROOKVALE NSW 2100

The COE at Lottoland will help the local community by bringing the ridiculously outdated facilities into the 21st cent.

Women's sports will benefit with the addition of women's change rooms.

The local footy team the Manly Sea Eagles will benefit by creating better facilities for them to use.

It is a very very overdue refurbishment that the community needs and deserves.
