Dear Sir

RE – Comment on Geotechnical & Stability Assessment, 27 Gulliver Street, Brookvale

Michael Adler & Associates prepared a Geotechnical and Stability Assessment for the above site on June 17, 2022 (Ref. 22/06817). Michael Adler the author of that report and this current letter is now employed by Green Geotechnical Pty. Ltd.

We have reviewed the amended proposal as shown on the Walsh Architects drawings dated 7/6/2023 and we consider that the recommendations made in our above original report remain unchanged.

Yours Faithfully

Michael Adler, BSc, BE, MSc, DIC, MIEAust, CPEng.
Principal Geotechnical Engineer
