RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

The Curl Curl netball courts and surrounding park area are a great asset for the local community. It is a great outdoor area for local children to safely play, ride their bikes and enjoy the outdoors. The local school Curl Curl North also use it for sporting activities and if a tower were to be built it would ruin the area for the local community.
