RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

Hi I would like to submit an objection to this application. I own a business on Daydream Street, and the traffic in this area is already too busy & parking is an issue. At times of the day such as around 8.30/9am there is always a backed up queue of cars entering the Jubilee/Ponderosa roundabout, & this traffic would be made a lot worse with this application. Parking is already very difficult to find for my clients & for a lot of other businesses in the area, & this would also become a lot worse with this application.
