I am a current member and employee of Warringah golf club, I think the addition of the clubhouse in the proposed location will be an excellent addition to the suburb and community. Understandably, the issues of noise, intoxication from patrons and anti-social behaviour in general have been brought up, however, the golf club do have plans in place to resolve these issues. Making a family friendly and lively atmosphere for both members and the general public is of paramount importance and I think this can and will be achieved with this awesome positioning of the new club.
