RE: DA2024/0622 - 292 Condamine Street NORTH MANLY NSW 2100

The process for the DA has been progressing at a snail's pace. I understand there are a great deal of checks and balances that need to be in place. However, we have a chance to move forward with NBC help by granting the cafe & restaurant license. Please remember this is not an exclusive golf club like others on the Northern Beaches but infact a community club where everyone in the area can participate. The plans for an outdoor area with appropriate seating and tables and large grass area enables the entire family to enjoy the facilities that are planned. With this in mind I ask the NBC to move as quickly as possible in granting the appropriate license.
