**RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102**

I oppose the proposal to develop this site for a bus depot. The site is very close to a generally low-medium residential area and will cause bad traffic and noise impacts to the nearby residents.

A larger site within a bigger industrial area and wider roads would be more suitable (such as the bus depot on Darley Street, Mona Vale).
