**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

I want to object to this submission

Mainly as the development is far too big and will be totally out of character for Robertson Rd. side of the building. Not to mention the height proposed will exceed the other buildings on this street and the parking access from Robertson Rd.(which should be from the Main Rd) will make it more congested and destroy any chance of Newport having Its own 'Eat Street' Precinct on this section of Robertson Rd.

We got a taste of how lovely and 'people' friendly this street could be when they trialed the road closure at the end of last year. For the first time Newport had a safe place for families to go out to cafes & restaurants without having to worry about cars & road noise from the main Rd.. This is a much needed area and is justified for the amount of people living here.
