Attention: Megan Surtees

Thank you for the opportunity to comment on Application no.
DA2019/0498, Lot 34 DP 22361 at 21 Ruskin Rowe Avalon Beach.

I telephoned on Tuesday this week to seek your input on relevance to my comments on the application. Without a reply I offer the following:

the proposed alteration will be obscured by bamboo planted along the rear of 21 Ruskin Rowe. Planted as a privacy screen the bamboo has reached a height to mingle with mature cabbage-tree palms. I would like a link between manageable height for existing as well as any new invasive vegetation and the DA application.

Yours faithfully
