RE: DA2021/1311 - 1031 Barrenjoey Road PALM BEACH NSW 2108

Please assist these people to allow them to continue to provide the service that they have been doing so well. I understand it's a family business, I love that. As well as being rewarded with quality food and drink, I take pleasure in seeing the young man, his sister and mother working with care to make their business work. Such difficult times, all, should be done to keep these people employed and providing a nice environment to enjoy a feed.

Kind regards
Michael
