**RE: DA2020/1453 - 4 Collaroy Street COLLAROY NSW 2097**

I am a regular visitor of Collaroy and went to school on Collaroy Plateau.  
Having looked at the proposed design, this is much preferred to the old back packers and dilapidated laneway. The low rise design looks like it will fit in well with similar developments around the area.  
It will provide a better facility for the beach area than what is currently there while giving the bottom of Alexander St a face lift.
