**RE: DA2024/0946 - 80 Undercliff Road FRESHWATER NSW 2096**

Dear Mr Davies

Can you please accept my objections to DA 2024/0946 at 80 Undercliff Rd, Freshwater. The reason being that it proposes a significant increase in patrons and is for the use of a function centre. I can't imagine the parking situation if this was to be approved. In summer I'm forced to either park blocks and blocks away or just go elsewhere. That will take away my enjoyment of the area. It's unfair to local business, as people will turn away from Freshwater. I submit the DA should provide for parking to be considered.

Thank you. Jen
