RE: DA2022/0376 - 10 Painters Parade DEE WHY NSW 2099

At the moment my husband and I stay at 2nd level unit 9303 Mooramba Rd Dee Why there from time to time to visit my daughter who lives in Redman Rd Dee Why.

In the future I may live there permanently, so I'm very passionate about our cute one bedder. It is currently surrounded by greenery and while appreciating the fact that the current plan for a house at 10 Painters Pde looks to be safe. As we live on the southern end of Mooramba block F next to 10 Painters I'd like to request that some bushes be planted on my eye level so I'm not just looking at a building.
