RE: DA2024/1079 - 53 B Warriewood Road WARRIEWOOD NSW 2102

Hi,

These plans do not detail what the intent is for the dwellings on these Lots. I object to being led to a site where it is not a simple case of saying whether this is a good or bad thing for this community. Please ask someone to explain exactly what they are proposing? e.g. there will be x houses/ Flats on Lot x. In the absence of knowing this detail I object to this application. I can take a phone call most times during the day.

Thanks

Robert Labrum
