RE: REV2022/0004 - 16 Bangaroo Street NORTH BALGOWLAH NSW 2093

I cannot believe a commercial operation is being considered in this location. Previous objections regarding traffic and safety still apply and the changes to the site only make it worse. The site is too small for what is proposed, evidenced by the fact that the parking spaces would permit a parent being able to get their child out of the car of someone was parked next to them. I trust that Councils' previous decision to reject the site as unsuitable for the proposed purpose will be upheld. Thank you.
