RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

I am very concerned at the size of this development

It has to be a breach of height and definitely isn't a "seaside village feel" To provide car spots for all these apartments would cut into the land severely.

It dwarfs Barrenjoey House which is a beautiful heritage listed building

We need to stay true to our village and build developments that suit the landscape
