This might be some months after lodgement of the application. Prior to determination we will not specifically reply to issues in your letter.

Any person who makes a relevant public submission to Council in relation to a relevant planning application made to the Council is required to disclose reportable political donations and gifts (if any) made by the person making the submission or any associate of that person within the period commencing 2 years before the submission is made and ending when the application is determined. You must go to Councils website [http://www.warringah.nsw.gov.au/plan\\_dev/PoliticalDonationsBill.aspx](http://www.warringah.nsw.gov.au/plan_dev/PoliticalDonationsBill.aspx) or Civic Centre, 725 Pittwater Road, Dee Why for further details about the Political Donations Act 2008 and for Declaration Forms.

## **Amended Plans**

If you lodge a submission following which Council receives amended plans and renotifies you of those changes, Council considers that if you do not lodge a subsequent submission regarding those amended plans, your concerns have been satisfied.

## **Privacy and Personal Information**

In making a submission on a Development Application, you may provide Council with personal information. This information will be held by Council to enable us to contact you in the course of consideration of the application and to ensure completeness of our records in relation to the application. You are not required by law to supply Council with your name and address. You may choose to make an anonymous submission, but you should note that without your name and address officers might not be able to access the accuracy of any issues you raise relative to the proposal.

Council is legally obliged to make Development Applications and supporting documents available for public inspection – see section 12 of the Local Government Act 1993. We do this at the Customer Service Centre and by placing copies of the applications and supporting documents on the Council website. Your submission will form part of the application and Council presumes that you consent to the disclosure of your personal information and copying of the document.

Warringah Council accepts no responsibility for defamatory or other similar matters included in your submission. You include such matters in the submission at your own risk.

## **Mediation**

In addition to lodging a submission, you can apply to participate in Council's Mediation Service, providing applicants and objectors the opportunity to resolve issues of concern. Your application will be assessed for suitability following the guidelines set out on the mediation application form.

Application forms for mediation are available from Council's Customer Service Centre, our website at [www.warringah.nsw.gov.au](http://www.warringah.nsw.gov.au) or from the Mediation Co-ordinator on 9942 2795 who will explain the parameters for mediation to occur. Requests for mediation must be received by 5.00pm on the closing date for submissions and marked to the attention of the Mediation Co-ordinator.
