RE: DA2019/1426 - 77 Collingwood Street MANLY NSW 2095

This business is a huge supporter and promoter of community initiatives.

In particular supporting our young people in jobs.

Window provides quick access to get coffee and get back onto the beach for our lifesavers and community.

Provides much needed service and employment to local community.

A thriving business which gives vibrancy and a much needed service to that end of the beach.
