RE: DA2019/1340 - 100 / 0 Meatworks Avenue OXFORD FALLS NSW 2100

I am very concerned about this Application for a number of reasons

Increased traffic and pedestrian safety is a major concern at the corner of Oxford Falls Road and Dreadnought Road.

Intensification of a "low intensity development",
Suitability of this site, and the overdevelopment - noting that it exceeds height limit.

Please consider these factors before allowing such a development
