RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102

Hi

I would like to oppose the plan for a bus depot in Warriewood. This area is already completely overloaded with traffic thanks to the continuous increase of houses in the Warriewood Valley. No infrastructure has been upgraded and the traffic around McPherson/Pondarosa/Jubilee is often unmanageable. Add in that the large number of children walking to school at Mater Maria and then their pick up and drop off zone. We have no room for giant buses to constantly be entering and leaving this area, and adding to the traffic and also to the danger of teenagers walking to school. Say no to the bus depot!
