RE: DA2023/0995 - 54 Brighton Street FRESHWATER NSW 2096

I OBJECT to this proposed development as it is not at all in keeping with the current streetscape of Brighton Street. The impact to the surrounding neighbours would be absolutely terrible with the loss of privacy and light to their beautiful homes. Many families have bought in this street due to the lovely homes on gorgeous large blocks never considering that this type of development would ever be possible. And the issues with traffic congestion would not be fair on any resident in this street. There must be better locations for these developments to occur.
