RE: Mod2016/0293 - 80 Evans Street FRESHWATER NSW 2096

This will have a terrible effect on what little peace that we currently enjoy. As well as the noise, we are subjected to dirt and dust covering our balconies, our cars, and coming in the windows. There are huge trucks coming and going all day.

We pay an outrageous amount of rent to live by the beach. In summer, our lifestyle is to enjoy meals on the balcony.

This is more than just an inconvenience. It would be impossible to relax and enjoy our evenings after a long day at work.

At the moment, I find the amount of noise and debris detrimental to our health, both mental and physical.

It would be very difficult to have this problem in the evenings and Saturdays.

The contractor hardly respects the existing Conditions of Consent. Please do not approve this DA to extend Construction Hours.

Thank you
