**RE: DA2020/0543 - 50 Lawrence Street FRESHWATER NSW 2096**

The village cannot handle another development, the traffic congestion it would cause and the disruption to our main public transport route to the city. Both the 139 and City Express come through here with many commuters queuing around this area for the bus.

A three story building would look completely out of character for the village and would set a precedent for other developers to build higher.
