Hi Megan-

Slight change to wording in objection below.

Note I was overseas, I also object to been given 4days to access this proposed development.

Late submission-

Objection to 11 Taylor street North Curl Curl

Proposed development removes our view of south Curl Curl beach.

Proposal is not consistent with street scape.

The building set back on rear boundary is already non compliant/compromised to accommodate the pre subdivision of the block. **(That alone should cancel any future upper alterations on this site)**

The applicant already has a full uninterrupted views of the beach/ocean and surrounding district
(See photo) and the design isn't consistent with the councils guide lines on view sharing.
