RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I wish to give feedback about this application.

The design of this building does not fit in with the beach feel of our unique suburb with a small village atmosphere.

The entry driveway being on robertson will bring traffic, pollution and noise to the area where people are enjoying outdoor dining.

The development goes against what is written in the Newport masterplan. It shouldn't be built as separate properties it should be one property.

I am sick of developers like this coming in to change a beautiful vibrant space for families with no regard to the negative impact it has on the area when a suitable design could create something wonderful that fits in with the existing feel of newport village.
