**RE: DA2021/0619 - 15 Jubilee Avenue WARRIEWOOD NSW 2102**

Please ensure the shared pathway extends to the shared pathway that dead ends on Warriewood road and goes around the corner down Jubilee road. Residents with even mild disabilities like me have to walk on the patched up road service at the corner. If the developer can't be forced to pay, the council should do it. That's why we pay rates, not to have a series of dead ended pathways.
