

## James de Soyres & Associates Pty Ltd - Waste Management Plan

**Project:** 41 Robertson Road, Scotland Island, NSW 2105  
**Our reference no:** 2305

### Applicant's Details

### Information

Name:	James de Soyres
Address:	PO Box 657, Newport Beach, NSW 2106
Phone no:	02 9979 1823
Email:	<a href="mailto:contact@jdesa.com.au">contact@jdesa.com.au</a>

### Property Details

### Information

Lot No:	301
Deposited Plan (DP) No:	DP514985

### Project Details

### Information

Description of proposed development	Additions and alterations to the existing dwelling including an upper floor addition and roof alterations
Type of development	Dwelling
Number of dwellings	One
Dwellings to be demolished	None

### Applicant's Declaration:

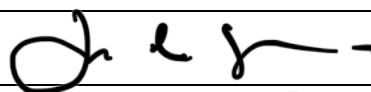

I declare that:

1. This plan has been completed in accordance with Northern Beaches Council's Waste Management Guidelines.
2. To the best of my knowledge, the details on this form are accurate and correct.
3. A site plan has been included showing the structures to be demolished, storage areas for waste to be re-used, recycled or disposed of and materials storage (if the development also includes construction.)
4. The tables for Demolition and Construction has been completed in accordance with the above Guidelines.
5. The architectural and landscape plans included waste storage area design requirements and waste storage area location requirements in accordance with Chapter 3.2 and 3.3 of the above Guidelines, respectively.

I understand that:

1. All records demonstrating lawful disposal of waste will be retained and kept readily accessible for inspection by regulatory authorities such as Council, NSW Environment Protection Authority or WorkCover NSW.
2. A bond in accordance with Council's fees and charges may apply to this development and must be paid to Council prior to any works commencing.
3. The bond will only be returned when Council is satisfied that all waste outlined in this plan has been managed as per the plan and evidence such as photos, receipts and statutory declarations must be supplied where appropriate.
