**RE: DA2024/0675 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Hello. I wish to voice my support of the installation of pickle ball facilities at the Pittwater RSL, an institution that provides the local community with a myriad of recreational options. The provision of pickleball courts will enhance and extend this by delivering an alternative venue for the hugely popular and in demand sport. PRSL are willing to financially & physically support the growing sport, alleviating the burden on Council to deliver required infrastructure. I trust Council will sensibly approve this application.
