**RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103**

Given that this is already a busy intersection in a residential neighborhood, we dont feel the need for a market to add to the congestion or noise.

The entry and exits for the Pittwater RSL already cause confusion and delay traffic. If a market visitor wants to use the toilet they will have to go into the RSL, if they aren't members they wont be allowed entry or be forced to buy membership.
