RE: DA2021/2537 - 1056 Barrenjoey Road PALM BEACH NSW 2108

Hello

Please be advised that the 3 windows on the southern side of the top storey will be looking directly into 2 bathrooms and 1 bedroom.

We object to the windows as pictured/described within the current submission and respectfully request an amendment.

As I am unaware of the legal requirements, some assistance/guidance from council would be greatly appreciated.

Kind regard

Jacqui
