RE: DA2019/1447 - 27 Alan Avenue SEAFORTH NSW 2092

I have lived in Alan Ave for 30 years and am against this type of development. Every other block in this street has only one dwelling on site.
Buying a lot, then subdividing will only lead to more of the same in future years.
Lets not go there. How about a little common sense ?
Alan Ave is a truly unique street.
Please leave it that way.
